Dear Gloria Vargas,

Real Solutions. Real Heart. Real Service to South LA Since 1942.

All Peoples Community Center is an all-encompassing neighborhood center whose mission is to provide social services and programs that empower individuals and promote community, respect, and self-determination for all. Founded in 1942, All Peoples has served as a true safe haven, and a beloved and trusted place for low-income children, youth, and families in South Los Angeles for 76 years.

Today, All Peoples provides a myriad of social and educational services to more than 6,600 people per year in its 20,000-square-foot center located in a residential area of South LA's Vernon-Central neighborhood, immediately south of downtown Los Angeles. Services are designed to achieve the following goals: to help children succeed at each stage of development; to strengthen and support individuals and families and build community; to prevent violence and crime in the community and the home; to address the root causes of gang involvement; to provide job training and create job opportunities; and to help seniors stay active and engaged.

Because of your support and donation of Christmas Toys and gift cards (\$215 Value), All Peoples was able to provide gifts to Children and Families to help them enjoy the Holiday Season! Thank you for creating smiles for our Youth!

We look forward to keeping you updated on our progress as we continue to move forward with our Mission to provide social services and programs that empower individuals and promote community, respect and self-determination for all. Thank you for your support.

Sincerely,

Sandra Bryant, LCSW
Executive Director
